Sandra Hill, who says she has known you for ages... she has taken on a new business of finding lost assets for people (since her wife disease, she can no longer go to work and work a 40 hour week...so started this biz)..she has done a preliminary search for you and has reason to believe she can find assets for you out there...she sent you an authorization form a few weeks ago and hopes you will sign and send back to her. She charges 15% of what is found and only charges you if something is found.
