Good night boss

I=spoke with Larry about picking up the tiki hut audio equipment.
<=r>

James did make a couple recommendations about upgrading the theater =clntosh receiver and the projector for the Apple TV 4K to work. I am not s=re if these items were approved for purchased.

The rest =f the items like wire, extra speaker connectors, data cables, etc... was o=der and I believe they will be loaded on the plane. If not, then it would =ome via Tropical Shipping.

Quick update flag pole pool:</=iv>

The was no progress today. I was out finding vendors that carried=the speaker connectors that the LSJ speakers use that I needed. I wa= lucky and did find some later in the afternoon. I was able to secure them=and will be on island tomorrow. I will update on all progress.
