I am amazed at the total disconnect from reality I see in regards to your st=ry ..... frankly it pisses me off ..... correct me if I'm wrong ...= but isn't the real truth that your mark in history like that of Bo=by Fischer, you did something with your mind before anyone else could, and y=u proved it? IE MADE BILLIONS .....

He did it on the chess board and you did it with stocks and financial future= before your same technical skill became algorithms common now on world wi=e trading platforms ?

Anyway I want to tell you point blank that you have always been a source of s=rength for me and always will be, because there can be no wind in anyone =80 s sail in comparison. I'm sure you have your hero's to= but the public understanding is a huge disconnect from your achievements f=om where I stand .....

Anyway thanks for listening -scott
