Good morning Larry,

ABC carpet does not have a matching carpet that can be used for the side duc=s and seat bases.

We looked exhausted our sample library and do not have a coordinating carpet=that is ready available.

Can you please identify the coordinating carpet that was installed in your G=lb ? This carpet would be identified in a log book entry.

I believe it is prudent to make sure we find a coordinating carpet BEFORE we=order the floor area carpet from ABC.

Thank you.
