Subject: speaker upgrade at 301

just checking in again

wanted to see if you like the bose system for karynas apt so rich/bella can have best buy deliver it to 301 so I can set it up this week or if you want me to look at more choices

also the new airports we ordered will be in this week so reconfirming I can go by 71st as well and put the stronger base station in key areas of the house

please advise

thank you

scott

below is cut and paste from the original email

if best buy is to be the vendor these seem to be a good fit

more of a traditional type

i would go with the bosc (simple style bosc) but any of the 3 solutions will sound great

please advise and thank you -scott
