Sounds like Joi introduced you to Ed Boyden (I mentioned him to you a few ye=rs ago. Love him) and to Reid, who is terrific, super smart.

I'm at Joi's in Boston tonight. We're with Tom and mark tomorrow.

My hunch is that the conference we discussed may be best done as the confere=ce you and Joi (and me and Joi) have been discussing. The MIT general one. T=e deception one also sounds interesting (separate).

Love that you'll be seeing Dean.

We're overdue to catch up. I'm in LA after Boston. Then Dave gallo in Seattl=. Then LA again. Maybe Europe in October... May speak at wired UK conferenc=.
