These are the ones I looked at and wrote down the prices. I have the floor plans and some photos I took too. ♦=A0

The management company charges 150 RUB per sq metre a month for cleaning, security, maintenance etc + electrical and water (usually up to 3,000 RUB a month), can't calculate the tax yet, for the first apartment I Paid 4800 RUB (80 USD) for the entire year!!

Went to see apartments in Moscow. For about the same price as the first apartment there are nicer apartments as the new developments with all the amenities (the so called "club houses"), I went to the buildings that are almost finished as the prices are better. My favorite was the development "I'm" <http://immoscow.ru/> = it is almost finished, some people have started redecorating, probably one of the best houses I have seen in Moscow.
