Jason, &n=sp;at Audio Advisors informed yesterday that Marantz just introduced a New 4= Flag ship receiver, called the 8012.

I told him to order this un=t in exchange for the PBI bedroom 6012 unit, instead of the 7012.,

Maybe the 8012 would be a good choice for LSJ home theater a=d Zorro...

Good night boss

I spoke with Larry about picking up the tiki hut audio equipment. <=div>

James did make a couple=recommendations about upgrading the theater McIntosh receiver and the proj=tor for the Apple TV 4K to work. I am not sure if these items were approved=for purchased.

The rest of the items like wire, extra speaker connectors, data cables, etc.= was order and I believe they will be loaded on the plane. If not, then it w=uld come via Tropical Shipping.

Quick update flag pole pool:

The was no progress today. I was out finding vendors that carried the speaker connectors that the LSJ speakers use that I needed.&=bsp; I was lucky and did find some later in the afternoon. I was able to se=ure them and will be on island tomorrow. I will update on all progress.

Regards  
Jruan
