Exactly what nancy said. So should I speak to the repo=ter?

What I find most important is that in origi=al complaint it says a complaint was lodged at the time with the conferenc= organizers. Then in the final report it concludes no such complaint was l=dged. Indicating a lie.

yes, you should highlight the one that concludes nothing happened and stress the silliness of having a third party, make a complaint, not even the person that they reference was found or had a photo. a complainant in a bar, with no connection to you or the person you allegedly grabbed. you suggest to buzz feed, that all allegations should be taken seriously. It seems unfair that anyone can make unsubstantiated allegations referencing a third party stranger, seen from a distance in a bar. for all they knew it could have been your wife.
