At some point I need to figure out my whole East Coast schedule.

There are a lot of thi=gs possible including the dinner Jeffrey proposed and some stuff you proposed.

It would be good to figure out which things we should lock in in the next week or so.<=span>

Yes – I will try=

Perhaps we could meet =im in NYC in September – we will coordinate.

Unfortunately his assi=tant has been SO HARD to work with and almost impossible to pass through.<=:p>

I also connected his o=fice with IAVI and IAVI with his office – but again it has been impo=sible to pass through her.

His comments re Giving=Pledge are harsh – but we heard the same from him directly.

I do think that gettin= him to give to a specific cause – HIV – and that way act as a= example to communities and friends is the right way of going forward.

An article on Geffen y=u may have seen...

It is a shame we haven=#8217;t figured out how to get him connected with IAVI – he would en=oy being their savior.

We should try one more=time somehow.

If we could catch him =hen he is in New York and get him to visit that would be great.=/span>

Maybe a note to him ab=ut this would help...
