Hey,

1. Glencore CIO has rescheduled 2&nb=p;times in the past weeks, 1 call misconnected. Still on them.
2. Hav=n't spoken to O.D. yet (his travel), in close contact via assistants, hope=to meet within this week.
3. Got an offer from large coal company (<http://www.suek.com/>) to run special projects, initially revolving ecology. Great team, not the best topic for me. May be a good start. No fixed hours, can do ot=er stuff as well. Have 2 weeks to make up my mind. <<http://www.suek.com/>>
4. Entrepreneurial=wise - complete local absence of business development specialists for=international markets for startups \ mid-size established companies. Usual= teams here are solid engineers, but no clue on where to apply tech and h=w to sell abroad (I am interested in EU and UAE). See some opportunities here. Working on t=is idea.
5. Ab-Inbev promised to get back to me with final offer or r=jection for Global Procurement team (best team in the world supposedly), b=t not that interested in them. Want to do more local \ international stuff=here.
6. Seeing a locally based PE\VC fund that does international st=ff this week. Like one of the partners (Wharton guy) and see if there are =possibilities there.
7. Not looking into any corporate things at the m=ment.

Other potential things aren't interesting at all. Greatly glad to be h=me. Going to come over?

Regards,

Max
