Hi Jeffrey,  
Erik's in a show=next week in Geneva. I think his work is very interesting, and thought you'= like to see something he's done recently. He is with the Almine Resch Gall=ry in Paris and this one in Switzerland. I wish that he'd exhibit more in N=, so I could go and see his work in the context of a curated exhibit. I don=t know how the art world works?????  
best,
