i will ask george this am about barge crane and specifics
i do recall him saying it would be same height as existing trees to the right and would block out view of home..

i spoke with George yesterday who was waiting on a second crane quo=e as first
crane was very expensive \$6,500
what Jim erroneously= ripped up
crane quote today..
tree cost was \$900 pl=s labor and now we will need additional sod to replace
crane will be positioned on street and lift tree into=area - we should have 2nd

geo=ge understanding of location of tree is in line with other trees in all gr=ss
with pavers ending at planter in right corner of picture below..therefo=e stone that was laid in top left corner should be
removed??
