ok - call with Jim and or George? please advise on timing..thank you

i spoke with George yesterday who was waiting on a second crane quote as first crane was very expensive \$6,500  
tree cost was \$900 plus labor and now we will need additional sod to replace what Jim erroneously ripped up  
crane will be positioned on street and lift tree into area - we should have 2nd crane quote today..

george understanding of location of tree is in line with other trees in all grass with paver ending at planter in right corner of picture below..therefore stone that was laid in top left corner should be removed??

Far left empty space for tree

No steps from his office
