'stunned' by president's rhetoric

Billionaire Thomas J. Barrack Jr. has done what few others in Trump's orbit have done: He told the president, in effect, that he was wrong. "In my opinion, he's better than this," Barrack said.

Trump's relationship with Barrack is one of the most important, and little understood, of the president's life, offering a case study of what it takes to remain close to him in a time of such turmoil.
