Hello:

You are receiving this email because I am concerned about your ability to maintain your F-1 visa status. According to my records, you have not registered for any courses for the Fall 2013 and we have no formal record of your plans.

Can you please take a minute to let us know where you are and what you are doing so that we can update your SEVIS record? We want to ensure that we update your information in a way that does not impact your future ability to travel freely to the US.

If you are in Houghton and would like to meet with me to discuss your options, please phone 487-2160 to make an appointment. I look forward to hearing from you soon.

Sincerely,

Thy Yang, Director of International Programs and Services
