i think my main difference would be the word "k=owable." I believe the guys that program neural nets.in fact DONT know how or even why they =ork and that is at the core of their anxiety. If i= is out of their control. danger lurks around the corner. =A0 we have seem many people get behind the wheel of a very fast car.=. not understanding at all the workings of the gears or the engine. =C2 . they crash as they don t take the time to learn to control t=e machine. the extension of that is the singularity
