Joi-

Thanks for sending me your travel schedule earlier. Mine looks similar but we are not in the same cities, so let's have a call. I want us to focus on putting together a proposal for submission in Spring 2014, perhaps at the \$2- to \$4MM level, building on some of your earlier ideas. We need to narrow the focus, and identify the people on your side and on my side who will work on the background documentation, if that timeframe works for you.

Maybe we can tie it into the projects evolving with Jeffrey, which would be a lot of fun.

I will ask one of my assistants to look for dates that might work for a call in the next week or two...

Best,

Barnaby
