Jeffrey,  
Message from Jim and Sultan:

Larry,  
You are right. No man is an island but every man needs one - and we deserve it!

We are in Nairobi Kenya tonight having bombed down here in a G450.

Thank you for more detail on what is coming up financially and for the interior estimate. We have been going over it here in the middle of the night and brainstorming all options.

Sultan just asked me to "tell Larry I have a Board Meeting first week of October and I need to know his estimate on what it costs to fly per hour including fuel and crew."

We have DeDecker reports on the 727-100 VIP and the Super 27 but he would like you to weigh in on what our actual hourly operating costs might be.

Thanks and jambo.
