I was going to exchange the 6012 Marantz for the 7012 Marantz AirPlay receiver, class D amps at 110watts per channel.
\$1980.00

New Rotel 4K receiver
Rotel RAP 1580 4K receiver (NOT airplay) but Bluetooth for streaming music
\$3500.00
Has class A/B Amp
True 100W per channel

Do you want to exchange the Marantz 6012 for the 7012 or New Rotel?

Thx
Larry

New Rotel below
