Choice interne= service is active: The programming was complete last week Thursday, Yeste=day they ran cables across from the dumpsters because of to much activity =n that area that was causing failure to the signal. Quality is great but w=enever you decide to get the tower you would need a "Dragon wave dish=quot; for better quality and more bandwidth.

Complete Wireless & Phone signal:

Tower n=eeded for wireless internet all over and to boost all phone signals. Jermai=e said that he's waiting for the paperwork to come through and will ha=e more info on the Tower.
