Larry – I will be in=DC. I changed my schedule (including canceling mtgs in NYC and sched=ling mtgs in DC) after I heard that Bill has time in DC.

Please just check with=him and let him decide. If it is any awkward for him, let's do it = call – but please let him decide.

Even if he decides in = last moment – I am ok and will take a call.

Otherwise , we can hav= a dinner at Four seasons with many people around. Or I could invite someo=e.

I just want to move wi=h my life. And Yuri is super important for me.

I was following all in=tructions so far and I think I was very disciplined with it. I went =o extreme to assure that she never sees me etc. And am really confus=d about it – as this is extreme.

Should I send an email=to Melinda?

Please let me know

Boris

I have not heard from him. I know that this is awkward, but I don't want him to break what he has agreed to - make sense?

Please can you double check with Bill – I will be in DC so it is sort of ridiculous.

Thank you

I did not know. =/span>

Is John there?<=p>

There was a plan that = meet Bill this Wednesday in Seattle but that got canceled.

If possible, it would =e important that I meet him – not only to catch up on things in general =96 BMGF, IV, GG etc but also we are meeting Yuri Milner in few days and I =ould like to discuss with him what he should tell him about me.

Not sure what to do =96 I swear I will not ask/do anything inappropriate.

What do you think?

How are you?

B

Hello,

I thought it was worth calling out that Bill is completely open after 4:15pm tomorrow. BMGF said they don't have anything for him so they are hoping C3 can fill the time.

Please disregard if there is already something in the works.

Regards,
Lindsay
