Subject: Re: example and only one of many

understood. . Im in meetings =his morning until 1 . . - steve the person who put=his numbers together should be fired they are not , an a=ccountant . it is awful. . it contributes to the is=ue. . I told you day one , that I thought this was a bad deal.=C2 david asked you to do the restaurant. . you =aid you didnt want to be his bitch and have him make money off of your bac=. . you and i discussed it at length. I thought it a bad=idea , but you wanted to be in your words 50/50 wi=h david. I told you that that is a marriage and i thought unwi=e. . you agian put your foot on the gas, and wanted in =s a full participant. you bought the trade. =C2 the first PG was already crazy, . i never ever eve= ever would have suggested a pg EVER. ! under any circumstance= . the second was more of the same but already pregnant.=C2 .

the numbers are all over the pl=ce. read the sheet you sent . past present f=ture. all on the same line. you have been consissn=t in saying if we jjust had enough money to open . that has been sin=e march. .

You should realize david lies about everything </=iv>

First

<=iv id="m_-5498418142335357171AppleMailSignature">I needed 800 k we had m=de a earlier budget months ago that showed - if we opened months ago -I co=ld have made it with 750k - david kept using this budget - I let it go =AO

What david did not share =ith you is that because of such a late opening - I have given him an addit=onal budget -of a loss of 175k to get us to march - tmi - but opening so l=te gives you zero momentum into first 3 months of 2018

This has still not ben addressed =AO

Because david has told ev=ryone months ago we would have the needed funding - we where told to start=to ramp up - which increased payroll - I put the brakes on. From additiona= employees since zero funds have come in - we need another 20 +employees t= train and be ready to serve guests- a 3-4 week process

Jeffrey- this is where david =ust lies

So let's say funding does not happen for another 10 =eeks and I draw \$20 k a week for needed payroll - so in theory I drew down=another 200k and now david thinks the restaurant only needs 400k - he is a=total idiot

The restau=ant budget is based upon completion of construction and the ability to sea= both units- lobby and basement - yes the basement can drag for 2 weeks af=er the opening of the lobby restaurant

I have not pulled my liquor license nor will I=till the restaurant account Is funded with 750k - I'm not going on the=hook to be responsible for shortfalls in that restaurant LLC as it's s=lely in my name - nor am I going to beg david for funds

I have told him many times - = will not open with out proper funding

Sorry for the story - but this is how it plays=out

I will=send you shortly which items are actually due - work complete as most of t=at list are past due accounts
