Please advise if I should confirm Thursday f=r install. Merwin will run additional wire so there will be no additional charges including al's ridiculous comments on overnighting materials.=I will beat him up once job is completed to your satisfaction.

Merwin and Richard,</=>

Well it turns out you do not have to ag=ee or not agree to the overnight charges for the cable as we actually have o=e in stock. So, this is what I need to know and would like an email confirmation stating that this is agreed upon.=/o:p>

- 2) = We will overnight the receiver from California at the Air Saver rate.
- 3) = We will perform the work on=Thursday as per the proposal.

I need to place this order now to fulfi=l my offer for a Thursday installation. Please advise. Th=nk you.

Al

Al,

I don't recall not agreeing to overnight 25 f=. hdmi cable as you said you don't trust it.. I said ok to drop off=cat 5 so I can run it on the ceiling myself before you get here.=/p>

I do not know. If he wants is ASA= then no matter what the fee this is the only way for us to get this done.&=bsp; Sorry.

As it is Merwin and I have agreed to ov=rnight a 25ft (the longest 4K available) 4K HDMI cable and will also be dro=ping off some CAT6 as a backup. I do not trust a 25ft HDMI cable for 4K throughput.

Please advise.=/p>

Hello Rich,

The parts I need for this installation are not in the=NY area and will need to be sent overnight form California. I suggest=we schedule this for early next week to avoid the overnight charges. Please advise.
