Unfortunately, Mr. Tony Shepherd from Choice communications is unable to get=us a Tower for LSJ which is fine :) because I went straight to the Cow for t=e milk. I had a great meeting today with Mr. Terrance Rabsatt "Owner of Rob=st Caribbean WiFi" and he is able to provide you with a tower because he bu=lds them and he his able to build it on sight. He use to be the Director of=Choice communication but now he is there subcontractor because he decided t= start his own business.

He's in the process of putting a tower on Tortola at the present moment and h=s next project is Jost Van Dyke, Mr. Rabsatt has done work for:

Westin St. John

St. John Villas

Caneel Bay

Ritz Carlton St. Thomas

Theodore & Tunick

St. Croix

Tortola

Bahamas

Nevis

and much more... Tomorrow afternoon I will have a Quote for a Tower along wi=h At&t repeaters and all wifi capability for LSJ.

I would really like for you to meet with him sometime next week if possible?=20

Please advise,
