Dear Mr Epstein

Richard shared with me that you want to stop working with us ,we appreciate the opportunity to work with you ,and we share your disappointment that our working together was not more fruitful for both of us .

We will send Richard a final accounting , Please feel free to call us as you meet people we are happy to share with you any information we have on a candidate.

This is a small world , If we encounter someone who we think could make sense for you we will call Richard right away.

I am glad our paths crossed life is long and hopefully we will have another=chance to help you

My Best to you

Sincerely

Peter
