Please see email below. Our last correspondence after you told me :  
jean luc will go to bali before xmas for us I have since made contact with two 3rd party shippers (not related to the manufacturers but recommended by them) one has a warehouse in case we want to source from many vendors and one does not (so they can't store for us) I have not been looking into furniture since you told me Jean Luc is going. Perhaps this was incorrect on my behalf.  
Can you please instruct including my question below from the 21st

'but 12-15 pots only take up one quarter of container. Do you mean we will fill it with other things?'

I have been dealing with another supplier regarding the palm pots (\$145 for 6.56 '). They respond quickly to my emails.

She gave me the following info

12 x 2m Palm pots are 6.5 Cubic meters..

Transit time 5-6 weeks

=u>

30 cubic meters

Shipping to Miami=A0 \$4750.00

So it looks like we should definitely be there to fill a container.=/span>
