Please see below from Bilotta kitchens (I have been pushi=ng her constantly with calls and emails) and have just received this. Shall=I ask DAphne or [REDACTED] to start looking into local suppliers.

[REDACTED]

I'm very frustrated. It's a local suppl= and not returning my calls or requests.

If I cannot get them to respond I will have to bow out of the count=r tops. Having my fabricator from here do it is costly and unrealistic.=u>
