Good Evening boss

I have started on the flag pole pool system. I have layout the speakers, tr=mming back the compromised wire until I found relatively clean copper stan=s and replacing the ends with those that I found. This is only a temporary=fix. Marine grade cable has been ordered along with new ends. I will repla=e the compromise wires with new marine ranks wire once it arrives. I compl=ted most of the left side already.

Tiki hut:

The mixer and amps need to be replaced, but the speakers appear to be in go=d shape. I will schedule with Anna for the carpenter to repair the door be=ore repairing the system.

Regards
Jruan
