I believe what we need after paying 50k for stereo. and=less than three thousand of it going for equipment is a 110 system with=real priciing alternatives. different or rebuilt converters, movies=and controls and of course a screen that works no hum is the only sound=acceptable not suggesting i merely turn down the volume. it . need sto =e seamless as well as what i was promised rie , not having to get up in the middle of a flight to change the music or movie , . the gaspers cost more to plate then to buy, =. swtches need to be corrected so that " aft monitor no longer exist=. the lights were alway s an issue after your work was done . not befor= , and if you recall your first batch of failure fixes you told me was =ecause you received boxes of dead bulbs,,
