love to faith if you see her. unless you had a specific follow up appt to see her and discuss results it would be unusual that she would be here between chrsitmas and new years. sorry you made the trip. when are you going to be back I can connect you to see how quickly into the new year you can follow up with her ./

makes total sense she's a supersubspecialist and the results require interpretation and comment and would not be sent out through an asst. even whoeve= is getting them doesn't have her expertise. they come with her feedback not just a bunch of numbers. are you not feeling well at present???
