Subject: Pilots

Jeffrey,

I wanted Chris our flight engineer to come with Dave on the flight that departs Miami at noon tomorrow as oppose to the 640pm flight is is scheduled. I'm not comfortable with him arriving at 1030pm in case his flight cancels which will jeopardize our LA flight.

I located another pilot, Phil Reinford who come highly recommended from other 727 operations. I spoke to him and he is willing to come tomorrow afternoon.,

Pls advise if you are ok with Chris on the past flight to STT or hails I bring the other pilot I'm early?

Thx
Larry
