Good morning Jeffrey and Happ= New Year!

I spoke to UTC Areospace about your disappointment and=unwillingness to accept ANY monitor from them as well as the letter from y=u / Darren. I then forwarded the letter after my plea/buffer call.</=>

I discussed my long standing relationship with them an= the various divisions we contract with at United Technologies.<=u>

Based on the conversation, I believe they will work wi=h us on this, but they will need authorization from upper management (Marc=s) who will return to work on Monday.

I will call them on Monday to look for an immediate, p=sitive resolve.

The blue 037 carpet takes six (6) weeks to dye and fab=icate before shipping, so if you elect to have this carpet installed, it w=ll have to be at a different date. With overtime we should be able to a=complish this in 3 working days downtime.

I will be speaking with Larry today regarding the rest=of the entertainment system.

Thank you.

Warm regards,

Eric
