Good night boss

After a f=w emails with James. I found out that although I was able to run Netflix 4K=movie streams through the McIntosh with the existing Apple TV. It still may=not be compatible with the new Apple TV 4K. I will send him the receiver sp=c tomorrow for his review and his recommendations on existing wiring that i= currently powering the theater. I will also send him the speaker count and=arrangement and projector make and model to ensure compatibility.

Regards
Jruan
