Subject: [REDACTED] Michigan's Application

Hi Jeffrey

Hope everything is going well. We will be done with the renovation of 8A ne=t week. Top notch job.

Anyway, as I mentioned previously [REDACTED] was deferred and so she had to w=it until April. This is still her preferred school although she did complet= applications to 15 other schools.

I met one of the Michigan board members who responded that her application w=s up to their standards however due to the overwhelming number of engineeri=g applicants did not make the first cut. A lot will depend on her grades t=is semester. She is doing college level Calc 2 and will not be getting an A= so she is not hopeful.

She did get accepted to University of Vermont where she applied because she l=ked their hockey program and had a decent engineering program. I am not te=ribly excited for this option.

Any other advice?

Anthony Barrett
