Happy Birthday Jeffrey, from an old friend (30 plus years!)...We are getting old!!! I think today is a biggie for you! Mine was on January 16th! Hope that you are well and happy, and that you will have a gorgeous day today! The years that our friendship has spanned,=I hope allows me to be honest, and say the following: Jonathan's heart is =broken over the fact that you didn't call him on his Bday, and, he thinks that he saw you in PB on December 26th...We both know how sensitive he is, but, he adores you, and he thought the feelings were mutual...I feel certain=that you would never want to hurt him, so, call him, please...I would love to see you and "pick your brain" when you are in New York...Huge Bday hugs, Helena
