Subject: the consulting agreement

Hi Jeffrey -

I've just read through the contract Darren sent, and while I appreciate =our interest on this, the responsibilities listed are not a match for =e.

My strengths and interests lie in the research, collecting interesting =people, programing and facilitating/working with the participants to =acilitate the time together. For this work (with no logistics, etc), ='ve charged clients \$75-125K per advisory board or symposium, and =hat's the low end of what people charge for this sort of thing.

Please let me know if any of that type of work is of interest to you.

There are a handful of other projects I'm involved in and excited about, =rom periodic consulting, to research, writing, and speaking, to being a =ellow with a local Consulting/ThinkTank group, to being a visiting =cholar at UChicago a little later this year.

Thanks again for your thoughtfulness!

xo
