Just got a text from David Brenner. Very very sick. Can't get out of bed. He=even sounds sick in his text. He sends his apologies along. Now the pressur= is on me to carry ALL the "funny" at dinner unless Woody decides to chip i=. I'm rehearsing now and may even buy a jester hat with the three little be=ls which I will remove at dinner as to not be too distracting. Now as long a= JE shows up to cover this bacchanal, everything should be good to go. Will=send another email if I come up with anything more positive and cheerful. = Sent from my iPad

He just got back from LA and has a commitment with his daughter tom= night. He said to give him a bit more of a heads up next time. Wish I was T=AT busy and important that I could blow off dinner with Woody! Fuck, my car=er is so fucked, lunch with JE is usually the highlight of my month! And I m=an that in a good way. Can't wait till tomw. Ironing my socks now.
