The Mensch comment is important because this is what I always believed you a=e.  
The real fact is this: you are not going to invest and I don't want you to i=vest by now. It means dealing with your people  
who are lying, and lack comp=tence. My deal was with you and not with them. Even further, your head of d=rect  
investment has a failed China reputation - I wouldn't ever let him nea= my business.

My point is: my relationship with you is important. This is what I want to s=ve. The view you were given about me is  
wrong because you were misinformed.=The facts prove this.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist
