I have attached a list of accessories for tennis court.
Please advise on the following items i am unsure of:

a) Ball Machine - Cost of 1,440 - not sure if you would like?

b) Cooler Stand - Not sure if you would like?

c) Bench - Please advise if you like style and color preference (green or white) and quantity of benches to order

Constructed of maintenance free extruded high density polyurethane. Weatherproof and lightweight. Durable solid plastic legs can be bolted to solid surfaces for permanent positioning.

All other items are basics and should be ordered. Tennis balls are on this list however I have never heard of micro balls and will probably just purchase Wilson US Open hard court balls.

Please let me know if I missed anything on list below. Once you give me direction I will negotiate pricing and have precise timing for arrival in STT..
