control of all the secur=ty cameras and the outside pan tilt zoom like i have in the security offic= , for the kitchen and  
basement staff apartment. To get proper pricing for=this installation i wanted to make sure this is accurate. To install  
this =n the two locations additional wiring will need to be pulled and additiona= equipment installed from the  
sensomatic digital recorder in the secu=ity room to the kitchen and basement staff apartment. The Sensomatic =security  
system is not compatible with apple , we were told by Sawyers that=no I phone app is available for security reasons , I  
will have James look =nto this
