great, I'm in paris. I'd like you to review. 1. we live in a world where men in power cannot be seen to be taking advantage of young (20s) women. , no moral judgement, but if disclosed to the public it shows a basic disrespect that can no longer stand scrutiny . ! period! arguing the righteousness of this position is ludicrous. , 2 we have to deal with the calif situation.- so far- no resolution. though she has promised her, but then ignores the requests - silly 3.&n=sp; I told him using an apollo employee ie melanie as a go between, is very silly and fraught with danger. for a chairman of a public co. . ala patraeus&=bsp; 4, His office is sloppy and amateurish, , having his mistress and family partnership appear on top of one another on the cap tables is asking for trouble also The paul weiss lawyer having to reference anastasia as a client? !/ 5,&n=sp; current ana tax issues are very tricky. she continues to believe she is still in the ukraine. where no one pays tax. 6. He never even tried to settle fee discussions with me. . WRONG . 7 . I tried to explain that he is well known and underestimates the risks . of disclosure.&n=sp; (what is the difference if I buy her a house in southampton near minster or an apt in tribeca? thats when i said brad and I will need to have an intervention. :)
