Mr. Epstein,

Looking forward to speakin= to you this weekend. Let me know when is a good time or should I schedule=with Leslie?

I am seeing flux of 1-2 negatives=on first page today, with only one yesterday. I will explain this more whe= we speak.

If you see Rich today maybe you can check from office t=rough private browsing to see results there?

S=ncerely

tyler, you have don= lots of work, the golas listed however were not mine. i w=s specific that i ddin't care about yahoo or bing. at all. only =esterday from fresh computers were three neg on first page. and one of =hem in 2nd postion.

lets talk over the weekend.

Rich,

Th=nk you for your email. I summarized the key achievements for Mr. Epstein to review. I also speak to our initial goals, =urrent strategy and importance of continuing to the next step.

=u>Goals

* Identify and dislodge any negative res=Its from first page of Google, Yahoo, Bing for "Jeffrey Epstein"=br>

* Implement sustainable strategy for management over time levera=ing internal assets

Key Achievement=

- * Removed/Replaced Mugshot from Primary Position o= Google 1st Page

- * Worked directly with CEO of BusinessInsider.com

<=i>Reduced # of negative placements (Google) from 5 to 1 over 6 months - PD= attached.

- * Removed Mugshot from Yahoo Images Top 8

- * Reduce= # of negative placements (Yahoo) from 4 to 0 over 6 months - PDF attached=br>

- * Reduced # of negative placements (Bing) from 4 to 1 over 6=months - PDF attached

- * Secured positive articles in Forbes and Huffington Post - this is important to help set future tone of editorial from these outlets since prior negatives are here.

- * Created and distributed press w/ [REDACTED]

- * Resolved hacked websites and updated sites for better s=arch optimization.

- * Secured JeffreyEpstein.net

I've attached PDF's of results from a clean Firefox w/ Private Window Mode=20 enabled (cntrl+shift+p) - same that you used on phone today. I believe=20 some of the frustration may come from checking results in different ways.

Strategy Moving Forward

- * Set [REDACTED] up as contributing author on NationalGeographic.com

Leverage NatGeo authorship to secure a few additional sites (i.e. Huffing=on)

- * Use sites [REDACTED] has authorship on moving forward to suppor= positive mentions and positive reputation for Mr. Epstein.

The goal here is to set you up moving forward without requiring artificial support. That is a majority of our cost now.

- * Content improvements (working with [REDACTED] on this) on existing sites.
- * Finalize and Launch JeffreyEpstein.net
- * Continue to aggressively promote any and all sites required to dislodge negatives (per last conversation on Jan 10 w/ Mr. Epstein) - this is showing results already.

I believe we can do the work required to sink the remaining negatives in the next 60 days. For this business, we win once you are happy, not by keeping you on as a monthly customer.

</iv>

The ideal situation is you need minimal support from us starting 60 days from now - and will end up in a position by middle of year where you should only need us if something else comes up.

Please advise on status of moving forward and our outstanding invoice.

Respectfully,

Tyler Shears
