Subject: Reconnect

Hi L=sley,

I am currently in Western Australia which is 13 ho=rs ahead of EST and 10 hours ahead of PST. It's a bit tricky to fin= the right time to talk, but here we go:

Last Emai= to you I attached a document to pass to Jeffrey — followed by anot=er Email a few minutes later with the complete document (the first one cont=ined only the introduction to the White Paper). Jeffrey asked that I call h=m two weeks later, which is now.

I will first want=to write him a short Email before we talk — so if we can begin to f=gure out a time to set up a call, that would be great. From here, I will b= in Singapore for a few days (same time zone as Western Australia) and then=to Central Java which is one hour earlier than here. I will be in Java from=March 4-12 and then go to Dubai for about a week.

= am hopeful we can arrange a suitable time while I am still here in Austral=a but it would mean an 8-10 AM or PM time for you on the East coast as we a=e completely the antipode here.

Please let me know=what works, and I'd appreciated being sure that he in fact received=the completed document (the second one sent) for him to review.

<=r>

Thanks, stay warm,

W
