Subject: Warren

I just got off the phone with Linda She sounds much better She now has 24 hour a day help They are men so they are able to lift up Warren and help them to and from the bathroom They also moved in a hospital bed into his media room on the main floor. She sounds much calmer now that she's got 24 hour help. She believes some of his medications was causing his grogginess She is going to hold the antidepressant
