Dear Mr. Epstein,

To tell you the truth I still do not have a book. I just started the =emolition of my future projects... I started my company in November =013 here in Brazil.

And now = am finalizing a contract for an apartment in Sao Paulo. =/span>

My style is based on a mixture of French influences and a Brazilian =ropical spirit. My style is a contemporary classic in the spirit of =lberto. But I also realize classic decoration, beach =ouses...

Please find enclosed one photo of the future hotel and some photos of =he apartments before the restoration.

Best regards

Jean
