Subject: Emergency Dock

Hey Bossman,

I had an emergency Dock installed due to safety for my kids on Island as well as friends and family that frequently visit and enjoy swimming and snorkeling on the Island.

Our main dock has been used as a main entrance to the water which is not safe because of Large Vessels passing, Tour guides, Fishermen and Jet ski rentals from St. Thomas and St. John that frequent the area of Little Saint James=

My kids as well as Friends and Family have come extremely close to being hurt by a Vessel in our area many times while they were swimming or snorkeling.=Despite our flag being visible to boaters from our main dock we still had to scream or yell to alarm them that there are people swimming and snorkeling in the area.
