Subject: Re: [REDACTED] article

Hi All

I will return from California this weekend and get updates from my team on those submissions - no reason to wait on republishing it if you were wondering that

I think we need to be sensitive trying to approach Forbes and etc - having a mugshot pulled is different than requesting they kill an entire article I think

Jeffrey I have a call with Rich today to explain deal moving forward and my colleagues are on board per meetings out here

I'll also send report of how we are progressing with the new assets (harvard= edge, nat geo, beard articles, etc)

Best,

Tyler
