F,
I'll be in Boston 4/9-13 to judge at the first robotics competition. I'm wan=ing to stay over for the first night of Passover & realizing, I don't know t=e Jewish community at all.   Any suggestions re: a Seder I might join Apri= 14?

Also will be looking at condos while there...getting a sense of the real est=te market...

Had dinner with some of the smartest techies I know Tuesday night. One curre=t MSFT, one former. Wish Bill could hear what the current guy said about th= technology - current situation & what needs to happen. MSFT is holding up l=gacy and missing some important shifts...

Xoxo
