I can come to you on Wed preferably in the afternoon

Re insurance, I spoke to broker and AIG is working on London
re-insurers.   As soon as AIG lets me know if they can underwrite is
all, I will ley you know but I expect in a week or so.   As an aside
and this is confidential, the broker I am speaking with (and he was in our office with the AIG rep) is Josh's insurance
broker for last 15 years. We have NDA in place.

 I have taken a look at Bedford homeowners as it is up for renewal.
There are some oddities - d there is one scheduled item, missing ports of the policy. Given so much of the home
contents are "art" it may make sense to move down the unscheduled furnishings homeowners coverage with $10K
deductible to scheduled Fine Art policy with no deductible.
